## SECTION 1 – APPLICATION & INTERPRETATION

### 1.1 Title of By-law

This By-law may be cited as the “Zoning By-law” of the Township of Rideau Lakes.

### 1.2 Scope of By-law

1. The provisions of this By-law shall apply to all lands within the geographic limits of the Corporation of Township of Rideau Lakes, as shown on Schedules A1, A2, A3, A4 and A5 attached hereto. This By-law shall also apply to any lands not shown on the Schedules and created through the filling of water bodies, as well as to any portion of the bed of any water body where a license of occupation or lease relating to a commercial or industrial use has been issued by a relevant approval authority. Such areas shall not be used for any purpose other than a conservation use unless the Corporation has zoned such areas through an amendment to this By-law, regardless of whether or not required approvals from the relevant approval authorities have been obtained.
2. No building or structure shall hereafter be erected, altered or enlarged, nor shall the use of any building, structure or lot hereafter be changed, in whole or in part, except in conformity with the provisions of this By-law.
3. Nothing in this By-law shall prevent the use of any lot, building or structure for any purpose prohibited by this By-law if such lot, building or structure was lawfully used for such purpose on the date of passing of this By-law, provided that it continues to be used for such purpose.
4. Nothing in this By-law shall prevent the erection of any building or structure for a purpose prohibited by this By-law if the plans for such building or structure were approved by the Chief Building Official prior to the date of passing of this By-law, provided that:
  - When the building or structure is erected, it continues to be used for the purpose for which the building permit was issued; and
  - The building or structure is commenced within six (6) months of the date of the passing of this By-law and is completed within a reasonable time of the commencement.
5. This By-law shall not be effective to reduce or mitigate any restrictions imposed by a governmental authority having jurisdiction to make such restrictions.
6. All references to Provincial Acts or Regulations shall refer to the current Act or Regulation. All references to the *Planning Act* shall refer to the *Planning Act, R.S.O., 1990, Chapter P.13*, as amended.

### 1.3 Interpretation of By-law

1. In this By-law, unless the context requires otherwise, words used in the singular shall include the plural and words used in the plural shall include the singular.
2. In this By-law, the word “shall” is mandatory and “may” is permissive.
3. In this By-law, unless the context requires otherwise, the word “used” shall include “designed to be used” and “arranged to be used”, and the word “occupied” shall include “designed to be

occupied” and “arranged to be occupied”.

#### 1.4 **Schedules to By-law**

The following schedules which are attached hereto are hereby incorporated into and are declared to form part of this By-law to the same extent as if fully described herein:

- Schedule A1 - North Crosby Ward
- Schedule A2 - South Crosby Ward & Newboro Ward
- Schedule A3 - Bastard & South Burgess Ward – North Portion
- Schedule A4 - Bastard & South Burgess Ward – South Portion
- Schedule A5 - South Elmsley Ward

#### 1.5 **Zoning Administrator**

This By-law shall be administered by the Zoning Administrator.

#### 1.6 **Issuance of Building Permits, Certificates and Licenses**

1. Notwithstanding any provisions of the Building By-law or any other by-law of the Corporation to the contrary, no building permit, certificate or license shall be issued where the proposed building, structure or use would be in violation of any of the provisions of this By-law.
2. Notwithstanding the generality of (1) above, where the approval of another agency or authority is required, this shall mean that the approval of such shall be obtained by the applicant and submitted to the Zoning Administrator at such time as an application is made for a building permit.

#### 1.7 **Certificate of Occupancy**

No change shall be made in the type of use of land, buildings or structures within any zone without first obtaining a Certificate of Occupancy from the Corporation, pursuant to the Township’s Occupancy Permit By-law.

#### 1.8 **Request for Amendment to Zoning By-law**

Every request for an amendment to this Zoning By-law shall be accompanied by the Corporation's “Application for an Amendment to Zoning By-law”.

#### 1.9 **Inspection**

The Zoning Administrator, the Chief Building Official or any other officer or employee of the Corporation acting under the direction of Council is hereby authorized to enter at all reasonable hours upon any property or premises for the purpose of carrying out his duties under this By-law. Notwithstanding the foregoing, a dwelling unit shall not be entered without the consent of the occupant except under the authority of a search warrant.

#### 1.10 **Violations and Penalties**

Any person convicted of a breach of any of the provisions of this By-law shall be liable to a fine in accordance with the provisions of the *Planning Act* and every penalty shall be recoverable under the *Provincial Offences Act*.

### 1.11 Remedies

Where any building or structure is to be erected or altered, or any part thereof is to be used, or any lot is to be used, in contravention of this By-law, such contravention may be restrained by action at the instance of any ratepayer or of the Corporation pursuant to the provisions of the *Planning Act* or the *Municipal Act*.

### 1.12 Validity

If any section, clause or provision of this By-law, including anything contained in Schedules A1, A2, A3, A4 and A5 attached hereto, is for any reason declared by a court of competent jurisdiction to be invalid, the same shall not affect the validity of the By-law as a whole or any part thereof, other than the section, clause or provision(s) so declared to be invalid. It is hereby declared to be the intention that all the remaining sections, clauses or provisions of this By-law shall remain in full force and effect until repealed, notwithstanding that one or more provisions thereof shall have been declared to be invalid.

### 1.13 Typographical Corrections

No amendment to this By-law shall be required in order for the Corporation to make typographical corrections such as spelling, punctuation and section numbering changes where, in the opinion of the Corporation, such corrections do not affect the intent of the By-law.

### 1.14 Existing By-laws

All other by-laws of the Corporation enacted pursuant to Section 34 or predecessors thereof of the *Planning Act* are hereby repealed and, without limiting the generality of the foregoing, existing by-laws that are repealed include:

- By-law No. 88-13 of the former Township of North Crosby;
- By-law No. 32-83 of the former Township of South Crosby;
- By-law No. 7-83 of the former Village of Newboro;
- By-law No. 573 of the former Township of Bastard and South Burgess;
- By-law No. 94-42 of the former Township of South Elmsley; and
- All by-laws of the former Township of North Crosby, former Township of South Crosby, former Village of Newboro, former Township of Bastard and South Burgess, former Township of South Elmsley and Township of Rideau Lakes which amend the foregoing by-laws.

**LOT** shall mean a parcel or tract of land which is capable of being legally conveyed in accordance with the provisions of the *Planning Act*.

- **CORNER LOT** shall mean a lot, other than a waterfront lot as defined herein, situated at the intersection of two streets, of which two adjacent sides that abut the intersecting streets contain an angle of not more than 135 degrees.
- **INTERIOR LOT** shall mean a lot, other than a waterfront lot as defined herein, situated between adjacent lots and which has frontage on one street.
- **THROUGH LOT** shall mean a lot, other than a waterfront lot as defined herein, bounded on two opposite sides by streets, provided that if any lot qualifies as being both a corner lot and a through lot, the lot shall be deemed a corner lot for the purposes of this By-law.
- **WATERFRONT LOT** shall mean a lot which abuts a shoreline but which does not abut an improved street or a street which will become an improved street pursuant to provisions in, and financial security associated with, a subdivision agreement registered on the title to the lot.

**LOT AREA** shall mean the total horizontal area within the lot lines of a lot.

**LOT COVERAGE** shall mean that portion of the area of a lot covered by all main and accessory buildings, porches and decks, but excluding an accessibility deck, automobile service station pump island canopies, entrance canopies for non residential buildings, and balconies and overhanging eaves which are more than 2.5m above finished grade. For added clarity, the lot coverage exemption only applies to an accessibility deck as defined in this By-law. Any attached deck exceeding the maximum depth of 2m and any unattached deck regardless of size shall be subject to the lot coverage provisions of this By-law. (#2011-42 – July, 2011)

**LOT FRONTAGE** shall mean the width of a lot measured between the intersections of the side lot lines with a line that is continuously 6 m back from and parallel to the front lot line.

**LOT LINE** shall mean any boundary of a lot or the vertical projection thereof.

- **FRONT LOT LINE** shall mean the following:

- In the case of an interior lot, the line dividing the lot from the street;
  - In the case of a corner lot or through lot, the shorter lot line abutting a street, or where access is gained to the lot regardless of the length of the line.
  - In the case of a waterfront lot, the high water mark shall be deemed to be the front lot line.

## SECTION 3 - GENERAL PROVISIONS

### 3.1 Accessory Uses

Except as otherwise set out in this section, accessory uses, buildings or structures shall be permitted in any zone, provided that:

1. Accessory buildings or structures other than sleeping cabins shall not be used for human habitation and shall not include kitchen or sanitation facilities (with the exception of a small wash sink), except as specifically permitted elsewhere in this By-law. (#2016-36 – July, 2016)
2. Accessory buildings shall be included for the purposes of compliance with maximum lot coverage provisions.
3. Marine facilities are permitted as accessory uses subject to the following provisions: (#2016-36 – July, 2016)
  1. The maximum height shall be 6m.
  2. The maximum floor area not including attached decks shall be 85m<sup>2</sup>.
  3. The minimum side yard setback shall be 4.5m.
4. The minimum separation distance between a detached accessory building and any other building (main and/or accessory) shall be 1m. (#2016-36 – July, 2016)
5. Any building or structure that is attached, or within 1m, of the main building shall not be considered as accessory. (#2016-36 – July, 2016)
6. On a lot which both abuts a water body and is situated in a Residential or Rural zone, one sleeping cabin shall be a permitted accessory use, provided that: (#2016-36 – July, 2016)
  1. The maximum floor area, including attached decks, of a sleeping cabin shall be 25m<sup>2</sup>. (#2011-42 – July, 2011)
  2. The minimum water setback of a sleeping cabin shall be 30 m or the water setback of the existing dwelling, whichever is greater.
7. In a Residential zone or a Rural zone of less than 1ha, buildings or structures accessory to a residential use shall be subject to the following special provisions: (#2016-36 – July, 2016)
  1. The lot coverage of all accessory buildings or structures shall not exceed 10%.
  2. The maximum height of an accessory building or structure shall be 6.0m.
  3. Notwithstanding the yard provisions of this By-law to the contrary, except as otherwise for a marine facility, an accessory building or structure other than a sleeping cabin may be located in a required interior side or rear yard, provided that the minimum yard shall be as follows:
    - 2m, where the accessory building or structure is less than 4 m in height and 5 m in length, measured parallel to the interior side or rear lot line, as applicable; (#2006-83 July, 2006)

- 3m, in all other cases. (#2006-83 – July, 2006)

8. Except as otherwise provided in this section, accessory buildings and structures shall conform to the zone provisions applicable to main buildings.
9. Notwithstanding the foregoing provisions, an outdoor woodburning furnace shall only be permitted in a Rural or Agriculture zone and all yards shall be a minimum of 100 m.

### 3.2 Existing Non-Complying Lots

Where, on the date of passing of this By-law, a lot exists with less than the minimum lot frontage, water frontage and/or lot area required by this By-law, or is increased in lot frontage, water frontage and/or lot area but is still undersized, such non-complying lot may be used and a building or structure may be erected, altered or used for a purpose permitted in the zone in which it is located on the date of the passing of this By-law without the requirement to obtain relief from the applicable lot frontage, water frontage and/or lot area provisions of this By-law. This provision shall also apply to reductions that occur for existing non-complying lots, as well as lots that become non-complying that have resulted from expropriates, government acquired lands and/or road widening provided the action was initiated by the Corporation, United Counties of Leeds and Grenville, the Government of Ontario or Canada, any agencies, boards, commissions or authorities thereof, and any company providing electricity, natural gas, wired or wireless communications or rail transportation. This provision shall not be construed as granting relief from any other provisions of this By-law. (#2016-36 – July, 2016)

### 3.3 Front Yard Reduction Within Villages and Hamlets

Notwithstanding any minimum front yard requirement of this By-law to the contrary, on a lot within the **Village and Hamlet** designation of the Official Plan, the front yard may be reduced to 3.0 m or the average of the front yards of existing main buildings located on the abutting lots, whichever is greater.

### 3.4 Frontage on an Improved Street

No lot shall be used and no building or structure shall be erected on a lot in any zone unless such lot has sufficient frontage on an improved street to provide driveway access. Notwithstanding the foregoing, this provision shall not apply to:

- A non-residential building or structure accessory to an agricultural or conservation use;
- A lot on a registered plan of subdivision and with frontage on a street which will become an improved street pursuant to provisions in, and financial security associated with, a subdivision agreement that is registered on the title to the lot;
- A lot located in a Waterfront Residential (RW) zone.
- A waterfront lot located in a Rural (RU) zone, where development is restricted to that portion of the lot within 100 m of the high water mark and the use of the lot is restricted to those permitted in the RW zone. (#2006-83 – July, 2006)
- Lots created by an approved Plan of Subdivision or by Consent under the *Planning Act*. (#2006-83 – July, 2006)

1. Any truck, bus, coach, railway or streetcar body;
2. Any marine facility or building or structure accessory to a residential use, other than a sleeping cabin;
3. Any recreational vehicle, travel trailer or tent trailer, except in a tourist campground or as a temporary use in accordance with Section 3.24 of this By-law.

### 3.14 **Open Storage**

Open storage shall be permitted as an accessory use to a permitted use within any zone other than a Residential zone, provided that:

1. No part of an open storage area shall be located within a minimum yard or water setback required by this By-law;
2. Open storage shall not occupy any driveway or parking or loading area required by this By-law;
3. Where open storage is situated less than 30 m from a Residential zone, a street or a dwelling on another lot, a continuous buffer strip consisting of a berm, fence or landscaping having a minimum combined height of 1.5 m shall be provided so as to screen the open storage area from the street or dwelling. Such buffer strip shall be broken only by a driveway or walkway from the street.

### 3.15 Parking Requirements

#### 1. Number of Parking Spaces Required

In any zone, the owner or occupant of any lot or building or structure erected, enlarged or changed in use after the passing of this By-law, shall provide off-street parking in accordance with the following:

<b><u>Type of Use</u></b>	<b><u>Number of Parking Spaces Required</u></b>
One and two-unit dwellings	2 parking spaces per dwelling unit, provided that 1 of the 2 required spaces may be in tandem
Dwellings of three units or more	1 parking space per dwelling unit
Mobile Home Park or Campground	1 parking space per site
Group home	1 parking space in addition to the applicable dwelling requirement
Home-based business	1 parking space in addition to the applicable dwelling requirement
Bed and breakfast	1 parking space per guest room in addition to the applicable dwelling requirement
Tourist Lodging Establishment	1 parking space per guest room or cabin plus 1 parking space per 20m <sup>2</sup> of floor area devoted to dining or meeting uses
Restaurant, banquet hall	1 parking space per 12 m <sup>2</sup> of floor area
Place of worship or assembly	1 parking space per 12 m <sup>2</sup> of floor area devoted to public assembly
Recreational use	1 parking space per 4 persons design capacity or 1 parking space per 20m <sup>2</sup> of floor area, whichever is greater
Retail store, personal service, merchandise service outlet	1 parking space per 20 m <sup>2</sup> of floor area
Clinic	1 parking space per 20 m <sup>2</sup> of floor area
Marina	1 parking space per boat slip or 1 parking space per 20 m <sup>2</sup> of floor area, whichever is greater
Commercial use not defined	1 parking space per 20 m <sup>2</sup> of floor area
Professional or business office	1 parking space per 25 m <sup>2</sup> of floor area
School - elementary	1.5 parking spaces per classroom

<u>Type of Use</u>	<u>Number of Parking Spaces Required</u>
School - secondary	4 parking spaces per classroom
Institutional or public use	1 parking space per 40 m <sup>2</sup> of floor area
Industrial, warehouse or storage use	1 parking space per 70 m <sup>2</sup> of floor area

**2. More than One Use on a Lot**

Where a building or lot accommodates more than one use, the number of parking spaces required shall be the sum of the requirements for each of the uses.

**3. Parking Space Size and Access**

Each parking space shall have minimum dimensions of 2.75m by 6m, except that a parking space for the physically-disabled shall have minimum dimensions of 3.7m by 6m. A parking space shall have unobstructed access, except where tandem parking is specifically permitted by this By-law.

**4. Parking for the Physically-Disabled**

Where a required parking area contains 10 or more parking spaces, reserved parking spaces for the physically-disabled shall be provided at the rate of 1 parking space for the physically-disabled per 30 required parking spaces or fraction thereof, subject to the provision of a minimum of 1 parking space for the physically-disabled.

**5. Driveway Access to Parking Areas**

Driveways designated for two-way traffic shall have a minimum width of 6 m. One-way driveways and driveways serving only one dwelling unit shall have a minimum width of 3.0 m. For portions of a driveway that directly abut a parking space, the minimum driveway width shall be as follows:

<u>Angle of Parking Space to Driveway</u>	<u>Minimum Driveway Width</u>
0 degrees	3 m
30 degrees	3.4 m
45 degrees	3.7 m
60 degrees	5.4 m
90 degrees	6 m

**6. Parking Area Surface**

A parking area shall be maintained with a stable surface such as concrete, asphalt or crushed stone.

**7. Parking Area Location**

Required parking for any residential use or Residential zone shall be provided on the same lot as the dwelling unit.

Required parking for non-residential uses shall be provided within 150m of the building that it is intended to serve and no part of any parking area shall be permitted on lands not zoned for the use with which the parking is associated. Where required parking is not provided on the same lot, the lot on which the parking is located shall be under the same ownership and shall be retained for the duration of the use.

**8. Parking Requirements for Additions to Existing Buildings**

Where an existing building or structure has insufficient parking spaces to comply with the provisions of this By-law, this By-law shall not be interpreted to require that the deficiency be made up prior to the construction of any addition, provided that no addition may be built and no change of use may occur within the existing building or structure, the effect of which would be to increase the extent of such deficiency.

**3.16 Pits, Quarries, Wayside Pits, Wayside Quarries and Portable Asphalt Plants**

No pit, quarry, wayside pit, wayside quarry or portable asphalt plant shall be permitted except in a zone where such uses are specifically listed as permitted.

**3.17 Public Uses**

Any land may be used and any building or structure erected or used for the purpose of a public use as defined in this By-law, provided that:

- Lot coverage, setback and yard requirements of the zone in which such land, building or structure is located shall be complied with, except in the case of towers, poles, lines and transmission facilities for natural gas, electricity, cable, water, storm and sanitary sewage and wired and wireless communications. Notwithstanding the foregoing there shall be no minimum water setback for waterfront structures such as decks, gazebos and other similar structures. (#2016-36 – July, 2016)
- Any building or structure erected or used shall be designed, maintained and used in a manner compatible with the buildings and structures permitted in the zone in which it is located.

**3.18 Residential Separation Distances from Other Land Uses**

Notwithstanding any other provisions of this By-law, any new sensitive land use shall be located minimum distances from certain zones or land uses on other lots as follows: (#2016-36 – July, 2016)

- From a Class “B” pit with no excavation below the water table                      150 m
- From any other pit    300 m
- From a quarry, asphalt plant or concrete plant    500 m
- From land zoned Salvage Yard Industrial    300 m
- From land zoned Disposal Industrial    500 m
- From a kennel    300 m
  
- From livestock facilities                      As per the Minimum Distance Separation I (MDS I) formula, as issued by the Ontario Ministry of Agriculture and Food, except that MDS I shall not apply to a new dwelling to be located on a lot of less than 2 ha in area if such lot was created prior to the implementation of this Zoning By-law. (#2016-36 – July, 2016)

### 3.19 **Setbacks from Environmental Protection (EP) Zones in this By-law and Natural Heritage Designations in the Official Plan**

Notwithstanding any other provisions of this By-law, the minimum setback of any building or structure, including sewage disposal systems, from lands zoned Environmental Protection in this By-law or designated Natural Heritage in the Official Plan shall be as follows: (#2016-36 – July, 2016)

- From the Environmental Protection – A (EP-A) zone or Natural Heritage A designation in the Official Plan 120 m
- From the Environmental Protection – B (EP-B) zone or Natural Heritage B designation in the Official Plan 50 m

or such lesser setback as recommended in an Environmental Impact Study undertaken to the satisfaction of the Township, provided that such lesser setback shall not be less than 30 m.

### 3.20 **Sewage Disposal Systems and the Applicability of this By-law**

Except in relation to water setbacks and natural heritage setbacks, sewage disposal systems shall not be subject to the provisions of this By-law. (#2016-36 – July, 2016)

### 3.21 **Sight Triangles**

Notwithstanding any provisions of this By-law to the contrary, within any area defined as a sight triangle, the following uses shall be prohibited:

- A building, structure or use which would obstruct the visions of motorists;
- A fence or any vegetation of a height which is more than 1 m above the elevation of the centrelines of abutting streets;
- A parking area.

### 3.22 **Shoreline Area Occupancy**

Notwithstanding any provisions of this By-law to the contrary, on any lot abutting a water body and used for purposes other than a marina, a maximum of 20% or 15 m of the shoreline area, whichever is lesser, shall be occupied by marine facilities, pump houses, stairs, decks, patios, gazebos and all other accessory buildings and structures. For the purposes of this section, the shoreline area shall include that portion of the lot lying within 3 m of the high water mark.

### 3.23 **Street and Private Right-of-Way Setbacks**

The following setbacks shall be required:

- County street 13 m from the centre line of the street plus the minimum required applicable yard for the appropriate zone (#2016-36 – July, 2016)
- Township street 10 m from the centre line of the street plus the minimum required applicable yard for the appropriate zone (#2016-36 – July, 2016)
- Private right-of-way 6 m from the edge of the right-of-way

### 3.24 Temporary Uses

The following shall be permitted in any zone, except Environmental Protection (EP) and Flood Plain (FP) zones:

- Construction facilities such as sheds, scaffolds and other structures incidental to the construction on the premises for so long as the work is in progress;
- A temporary real estate sales and/rental office;
- A travel trailer, tent trailer or recreational vehicle occupied on a temporary basis during the course of construction of a dwelling on the same lot, provided that:
  - An appropriate sewage handling system is provided; (#2016-36 – July, 2016)
  - A building permit for a dwelling has been issued and remains in force or the previous dwelling was damaged as a result of a natural occurrence/disaster and a building permit is obtained for the reconstruction of the dwelling within 6 months (extensions may be provided through review by Council's delegated authority) of such disaster; (#2016-36 – July, 2016)
  - The trailer or vehicle is located in accordance with the required yards and water setbacks applicable to a dwelling;
  - In no event shall the trailer or vehicle be located on the lot for a period exceeding two years from the date of issuance of the building permit.
- Temporary event tents used on a temporary basis to not exceed a maximum of 5 days (120 hours) per any two months. (#2016-36 – July, 2016)

Notwithstanding Section 3.13, the following use shall be permitted in the Rural (RU) and Agricultural (A) Zones on a temporary basis: (#2012-39, June, 2012)

- A travel trailer, tent trailer or recreational vehicle may be temporarily occupied for the purpose of habitation by seasonal or migrant agricultural labour, provided that:
  - The temporary use is located on a property with an established dwelling, and that it is part of an active agricultural operation;
  - A minimum yard setback of 30m and a minimum water setback of 100m is maintained;
  - Appropriate access is provided to the location of the temporary use to allow for emergency access;
  - The period of habitation is limited to April 1<sup>st</sup> – November 30<sup>th</sup> of each calendar year;
  - An approved temporary connection to an on-site sewage system is provided, and a temporary building permit is gained for the connection/system;
  - During the period outside the permitted temporary use, the trailer or vehicle must be removed from the property or appropriately stored in accordance with the Zoning By-law's open storage provisions;
  - A copy of the Health Unit certificate of approval is supplied to the Township, as applicable;
  - The occupancy of the trailer or vehicle shall be in accordance with the manufacture's specifications;

- The trailer or vehicle must remain mobile and temporary in nature. No permanent connections or built structure additions are permitted; and
- Notwithstanding Section 34(9) of the Planning Act the temporary use does not gain legal non-conforming rights as a permanent use as the temporary nature of the use specifically constitutes a discontinuance of that use.

### 3.25 Through Lots

On a through lot, the minimum front yard requirement shall apply to each yard abutting a street.

### 3.26 Water Frontage and Water Setbacks

1. Except as otherwise provided by Section 3.2, the minimum water frontage for any lot shall be 60 m.
2. Except as otherwise permitted by Sections 3.1, 3.12 and 3.27 of this By-law, the minimum water setback shall be 30 m for all buildings and structures, including all sewage disposal systems but excluding the following:
  - Decks, gazebos and other similar structures such as hot tubs, which are unattached to a main building and which have a combined horizontal surface area of less than 14m<sup>2</sup>. (#2016-36 – July, 2016)
  - Marinas, pump houses, marine facilities and stairs.(#2011-42 – July, 2011)

### 3.27 Yard and Water Setback Encroachments

Notwithstanding the yard and setback provisions of this By-law, the following encroachments are permitted: (#2011-42 – July, 2011)

- Sills, belt courses, chimneys, cornices, eaves, gutters, parapets, bay windows and other ornamental features may project into any yard or water setback by not more than 0.6m;
- Attached decks and balconies may project from the main building into any minimum required yard setback by not more than 3m
- Attached decks and balconies may project from the main building into any water setback by a maximum of:
  - a. 1.2m where the main building is located less than 8m from the high water mark. This deck shall be limited to 2m<sup>2</sup> of horizontal surface area;
  - b. 2m where the main building is equal to or greater than 8m but less than 15m from the high water mark. This deck shall not be limited in horizontal surface area; or
  - c. 4m where the main building is equal to or greater than 15m. This deck shall not be limited in horizontal surface area.
- Awnings, clothes poles, flag poles, garden trellises, fences, plant materials, play structures under 10m<sup>2</sup>, temporary event tents, stairs, ramps for accessibility, landings (as minimal as

required by the Ontario Building Code) and similar accessory structures shall be permitted in any required yard or water setback; (#2016-36 – July, 2016)

- Swimming pools may be located in a required interior side or rear yard, provided that the minimum yard shall be 3m. Swimming pools shall not encroach into the required water setback such that the water setback of the pool would be less than that of any existing non-complying dwelling or non-residential main building. For the purposes of this section, hot tubs shall not be considered to be swimming pools. (#2016-36 – July, 2016)
- For added clarity, an accessibility deck shall only encroach into the water setback when a main building has a water setback equal to or greater than 8m. An accessibility deck shall maintain the minimum required yard applicable to all other decks.

### **3.28 Additional Lot Coverage and Floor Space Index Provisions for a Lot Abutting a Water Body**

In addition to the maximum lot coverage and floor space index provisions of this By-law, the following additional provision shall apply to any development within 60 m of the high water mark on a lot abutting a water body:

- The maximum lot coverage and floor space index requirements of this By-law shall also be complied with on the basis of including only that portion of the lot area situated within 60m of the high water mark for the purpose of the calculations. (#2006-83 – July, 2006)

## SECTION 4 - ZONES

### 4.1 General

For the purposes of this By-law, the land area of the Township is divided into various generalized and specific zones to which the provisions and regulations herein shall apply.

### 4.3 Boundaries of Zones

The location and boundaries of the zones established by this By-law and certain requirements applicable to such zones are shown on the maps hereto attached as Schedules A1, A2, A3, A4 and A5. Where any uncertainty as to the boundary of any zone as shown on the zoning schedules, the following provisions shall apply:

1. Where a zone boundary is indicated as following and is within the boundary of a street, lane, railway right-of-way, other right-of-way or watercourse, the boundary shall be the centre of such street, lane, railway right-of-way, right-of-way or watercourse.
2. Where a zone boundary is indicated as approximately following lot lines on a registered plan of subdivision, deposited reference plan or original Township survey, the boundary shall follow such lot lines. No amendment to the By-law shall be required for minor adjustments to zone boundaries shown on Schedules A1, A2 and A3 where, in the opinion of the Township, such adjustments are merely for the purpose of more accurately reflecting surveyed information.
3. Where a zone boundary is indicated as following a shoreline of a watercourse, the boundary shall follow such shoreline and in the event that the shoreline changes, the boundary shall be taken as having moved with the shoreline.
4. Where a zone boundary as indicated follows the 1:100 flood line, the boundary shall be the 1:100 flood line.
5. Where any street, lane, right-of-way, railway right-of-way or watercourse as shown on the schedules is hereby closed or diverted, the object of such closure or diversion shall be included within the zone of the abutting property on either side thereof.
6. Where any zone boundary is left uncertain after the application of clauses (1) through (5) above, the boundary shall be determined by scale from the original full size zoning schedules.
7. Wherever it occurs, the municipal boundary is the limit of the zone adjacent to it.

### 4.4 Holding Zones

Where a zone symbol is followed by a hyphen and the letter “h”, this denotes a holding zone. Within such zones, only existing uses shall be permitted unless specifically stated otherwise in the by-law, until the “h” has been removed. The removal of the holding provision shall require an amendment to the By-law. Such amendment shall only be passed by Council when any applicable servicing, phasing or financial conditions or agreements for the lands have been satisfied in accordance with the requirements of the Official Plan.

### 4.5 Special Zones

Where a zone symbol is followed by a hyphen and a letter or a number other than “-h”, (for example, “-x” or “-1”), the lands so zoned shall be subject to all the provisions of the zone represented by such symbol except as otherwise provided by the special provisions of that zone.

### 4.6 Temporary Zones

Where a temporary zone is established for the purpose of accommodating a temporary use pursuant to the provisions of the *Planning Act*, the lands so zoned shall be subject to all the provisions of the zone, except that a temporary use shall be permitted for a certain limited period of time. The zone symbol shall be followed by a hyphen, the letter “T” and a letter or a number other than “-h”, (for example, “-Tx” or “-

T1”).

Temporary zones in force and effect are as follows:

1. **RG-9-T5** (*Plan 1, Part Lots 12 – 15, RP 28R11413, Part 2, South Crosby*)
