2. Below are the three preferred options chosen by the Committee:

Option 1 – By Impact: Rename the duplicate private roads that generate the least impact based on volume in each ward (i.e. roads with the least amount of properties impacted would be renamed)

- A. Change road names to entirely new names however keep original civic numbers
- B. Change road names to entirely new names along with correcting all civic numbers / sequences

Option 2 – By Consent of Owners: Duplicate road names are changed based on the amount of consenting property owners on each duplicate road (i.e. duplicate roads with the greatest interest and support for a name change would be changed).

- A. Change road names to entirely new names however keep original civic numbers
- B. Change road names to entirely new names along with correcting all civic numbers / sequences
