

CRCA Lake Event

May 28th, 2017

Join us for an
interactive
and informative
afternoon

2:00 to 4:30 PM

Optional RSVP

**The first ten people
or families to register
will receive a
laminated pocket
field guide***

*You may email hevans@crca.ca to let us know you are planning to come. Please include your name and the name of your favourite Cataraqui Region Lake. Spontaneous drop-in attendance is also encouraged.

You are invited by the Cataraqui Region Conservation Authority (CRCA) to attend an event all about lakes at the [Outdoor Centre](#) located in the [Little Cataraqui Creek Conservation Area](#) just two minutes north of Kingston (1641 Perth Road, Glenburnie, ON). We are excited to connect with lake associations, lake residents, and lake enthusiasts of all ages. We hope that you will be able to join us.

About This Event:

This all-ages event will be the official launch of the CRCA's first ever Regional Lake Assessment Report. Registration is optional and the afternoon will be a drop-in format with no formal presentations planned. Come learn how you can get involved!

Check out displays and information from organizations including Watersheds Canada, Lake Partner Program, OFAH Invading Species Watch Program and others.

Activities:

- Practice using lake monitoring equipment
- Observe displays on how lakes naturally function
- Learn about the state of Cataraqui Region Lakes and your local watershed
- Discover the strange and wonderful zooplankton universe
- Find out how you can get involved to help collect important scientific information
- Learn about native plants that protect lake shorelines and provide valuable habitat
- Sign-up for a shoreline assessment (limited space is available)
- Identify invasive species that could or are affecting your lake and know what to do about them
- Share your ideas for lake protection
- Participate in educational games
- Ask local experts your lake questions
