

RIDEAU LAKES PICKLE BALL

The 2017 season will begin at the Newboro Courts starting as soon as the weather is warm enough! (Usually May to October). Facilities include two courts, washrooms and equipment. Participants must fill out a Township registration form prior to playing and bring their completed form to the courts. Registration forms are found inside the Townships Leisure Services Brochure or online on the Townships website under Recreation. Games are scheduled every Monday, Wednesday and Friday from 9am to Noon and the league is run by volunteers. The charge is a nominal \$2.00 a day which goes toward the purchase of balls and

equipment as required. The league is open to all players regardless whether or not you've enjoyed the game yet! Similar to Tennis, Ping-Pong and Badminton all rolled up into one sport! It's fun, great exercise and very social. Wear comfortable clothing, running shoes, sun screen and bring your water bottle! More information may be obtained by calling Don at 613-273-9178.
