Open to both boys and girls, instructed by Emily Beelen, this recreational dance program will offer fun and fitness in an informal, recreational setting. Proper technique will be taught. There will be no exams or competitions. The last class will have an opportunity for parents to view their young dancer's achievements. Classes are held

upstairs in the Portland Community Hall. Dancers need not have traditional dance shoes, but should wear running shoes or be prepared to dance in bare feet. Dancers should wear comfortable clothing and bring a water bottle.

Parents are encouraged to drop your children off 5 minutes prior to the start of their class and pick them up at the exact time class ends. Parents may wait in the downstairs portion of the community hall if they so desire. Participants may be asked to purchase a Rideau Lakes Dance shirt prior to their last class to be worn for the “recital”.

To register your child please fill out the registration form found in the Leisure Services Brochure, on line at www.twprideaulakes.on.ca or at the Municipal Offices in Chantry and mail it along with the appropriate registration fees to the Township Offices ***by April 12th***. Registrations received after the deadline will be put onto a waiting list. *These classes fill up quickly. After registering, you may receive a call from our instructor with an alternative option for class times.* Participants will have an opportunity to showcase their techniques at the end of the program (June 10th) to family and friends.
